

## **Age Group Sponsorship**

### **How does age group sponsorship work?**

You will be a sponsor for your chosen age group from U10's, U12's, U14's, U16's and U18's (depending on availability). Your sponsorship will allow the age group to gain additional training and cover entry costs of tournaments that are run across the country. Typical tournaments cost up to £650 and are a great way to push the players and help them develop. For a tournament the team coach will select the team from all players who are available to compete.

### **What will your sponsorship cover?**

Your sponsorship will help towards extra ice time, additional tournaments, and training for the age group. When used for tournaments your sponsorship would cover entry fees and could also include a t-shirt or hoodie for each player attending with MK Storm logo, player number and your company logo. Any extra ice time would be booked from the end of May at weekends.

### **How much is the sponsorship for?**

The total suggested amount for sponsorship for one season is £2,500.00. Amounts (including smaller donations) can be tailored to your company wishes and any amount is welcomed.

This money will only be used for the club to benefit your selected age group.

### **What will you get?**

- Company name, details, and logo on MK Storm website.
- Company logo/name on banner at home games.
- Company name shared on club social media.
- Group picture with company representatives and players from the selected age group for use on social media/company publications to bolster your community support projects.
