

## Pathway Sponsorship

### How does pathway sponsorship work?

Storm Pathway is how we develop our players. Upon joining our club players are assessed by our coaches and their developmental journey is put into place. The pathway allows for those players who are new to the sport, the opportunity to learn and develop in a safe space at their own pace, until they have the skills required to be selected for league games.

### What will your sponsorship cover?

Your sponsorship will cover the game cost for Storm Pathway players only. Storm Pathway will have 8 home games across the 2023-2024 season.

### How much is the sponsorship for?

The total suggested amount for sponsorship for one season is £3,176.20.

This money will only be used for in-house training game sessions.

### What will you get?

- Company name engraved on each trophy plaque with name read out before trophies awarded.
- Company name, details and logo on MK Storm website.
- Company name shared on club social media.
- Group picture with company representatives and players from the selected age group for use on social media/company publications to bolster your community support projects.
