

Club Sponsorship

How does club sponsorship work?

You will be a main sponsor of the club covering all age groups. This will go towards helping the club in all areas. This will also allow the club to help people from lower income groups play ice hockey.

What will your sponsorship cover?

Your sponsorship will help towards the costs of the club including ice time rental, training equipment, protective clothing, training of coaches, social activities and training.

How much is the sponsorship for?

The total amount suggested for sponsorship for one season is £10,000.00.

Amounts (including smaller donations) can be tailored to your company wishes and any amount is welcomed.

This money will only be used for the club to benefit all age groups.

What will you get?

- Company name read out at each home game.
- Company name, details and logo on MK Storm website.
- Company logo/name on banner at home games.
- Company logo/name on all player helmets.
- Company name shared on club social media.
- Group picture with company representatives and players from the selected age group for use on social media/company publications to bolster your community support projects.
